### Year 1

#### Study Period 1

**Core subjects** - compulsory subjects that you must complete. 
**Elective subjects** - subjects you can choose between from the Elective Bank below.

This course comprises of 36 subjects that you are required to complete: 33 core subjects and 3 elective subjects. Each subject has a value of 10 credit points. To successfully complete the course you must have completed 360 credit points.

**Prerequisite subject** - a subject you must complete before undertaking another subject.

**Corequisite subject** - a subject you must complete with another subject at the same time.

**RPL** - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

**Please note:** Not all subjects run each Study Period. If your suggested subjects are unavailable, we encourage you to take the immediate preceding or following subject(s) where possible.

**Subject availability is estimated and may change without notice.**

How to read the below Suggested Study Pattern (as a Full Time Student):

9 subjects per year make up a full time study load, following a 3 subjects-3 subjects-3 subjects pattern across the year’s three Study Periods (Trimesters).

As an example: Following the below pattern, the subjects in your first year would be:

- **Your first Study Period:** BDF105, CMF105 and NUTR2001 (3 subjects)
- **Your second Study Period:** HSP101, EBP107, and BOT106 (3 subjects)

Studying Part Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period. Any questions? Contact youresuccesscoach@laureate.edu.au
